The winners in each category will be announced on Thursday 22nd June at a black tie event held at The Montcalm Hotel, Marble Arch, 2, Wallenberg Place, Marylebone, London, W1H 7TN and will celebrate success for smaller quoted companies on Nex Exchange and AIM.

The Awards ceremony shines a light on the best companies and participants in the small and micro-cap community (sub £150m market capitalisation) across eleven categories.

This year the Small Cap Awards are sponsored by NEX Exchange and supported by the London Stock Exchange. They are a once-a-year opportunity to recognise outstanding achievement focused on smaller quoted companies.

Lord Young of Graffham, one of the UK's best known politicians, is returning for a second year as a bastion for UK SMEs to host guests and speak at the ceremony. Lord Young is a former Secretary of State for Trade and Industry. Until recently he was Enterprise Adviser to the Prime Minister with a brief to conduct a “brutal” review of the relationship of government to small firms. This resulted in a three-part review to the Prime Minister on enterprise and small business.

The event will be attended by institutions, fund managers, brokers, company directors, entrepreneurs and advisors, creating a chance for all attendees to network with those who have shown exceptional growth and performance in the small cap environment over the last year. This year the Small Cap Awards is delighted to have secured headline sponsorship for a third year from Nex Exchange (formerly ISDX), a London based stock exchange providing UK and international companies with access to European capital through a range of fully listed and growth markets.

In addition, the event is co-sponsored by the highly respected commercial law firm Hamblins LLP; the Top 15 national audit and accountancy firm UHY Hacker Young; global leader in all aspects of digital corporate communications EQS Group; and the first regulated exchange dedicated to businesses and investors seeking to achieve a positive social and environmental impact through their activities, the Social Stock Exchange.

The nominations have been selected by a judging panel comprised of leaders in the Small Cap sector and is Chaired by Claire Noyce, Managing Partner at Hybridan LLP.

The nominations have primarily been chosen from the calendar year 2016.  
The judging panel consists of:

**(Chair) Claire Noyce**

SmallCap UK is supported by Hamblins LLP, the leading central London commercial law firm along with Nex Exchange.

Since it started in mid-2012, the Small Cap Club has successfully enabled leaders and participants in the micro-cap sector to regularly meet together, based on the premise that meeting people builds trust and creates new areas of thinking and opportunity and the regular networking events have gone from strength to strength.
